This form is ***not*** required if a previous agreement has been reached, including the course releases provided to those who hold standard administrative positions (e.g. chair, DGS and DUS). We would like to receive forms, however, for those faculty who are applying for URC grants. Please refer to the 11/2015 policies for applying for leaves and course releases for a full description of requirements: <http://college.emory.edu/faculty/faculty/leave-policies.html>.

Submit to Dean_of_Faculty@emory.edu with the subject line *Leaves and Course Releases*.
